VOLUME NUMBER XXXV. CANYON, TEXAS, THURSDAY, SEPTEMBER 17, 1931. NUMBER 26

WEST TEXAS TO GET SURVEY BY STATE ON GAS

FORTY-FIVE TOWNS REQUEST ACTION ON NATURAL GAS.

Railroad Commission Will Send Engineers to Study Rates Charged by Distributors.

Forty-five West Texas towns have requested the State Railroad Commission for an investigation of gas rates. C. V. Terrill, chairman of the commission announced a decision is expected on whether to turn the work over to an engineering firm or to conduct the survey with state employees.

"It is problematical how much time the survey will require," Terrell said. "If the commission does the work it will depend upon how many men we can employ. But I would judge the inquiry will need three months to complete. No hearings at present are planned, this depending on appeals by municipalities to the State.

"It will be necessary for engineers or state employees to visit all gas plants, make inspections and determine valuations or reproduction costs. This information will give us the key to rates.

"Besides municipalities asking for this investigation, the Lone Star company has filed with us a statement to the effect that it will cooperate in the work."

Records at the commission offices show that the average city rate for gas over Texas is 35 to 40 cents for 1,000 cubic feet. The distributing companies then set their own charges. Because of decreased price of materials and labor, reproduction costs for plants likewise show a decrease, which should be reflected in lower rates, it was represented.

West Texas towns that have petitioned for the investigation include, Albany, Comanche, Big Lake, Borger, Breckenridge, Clarendon, Canadian, Canyon, Childress, Coleman, Colorado, Cisco,, Crosbyton, Dalhart, Floydada, Hamlin, Haskell, Hereford, LeFors, Littlefield, Levelland, Lockney, Merkel, Mineral Wells, Monahans, Muleshoe, Olney, Putnam, Quanah, Rotan, Seymour, Sweetwater, Sudan, Tulia, Turkey, Weatherford, Wichita Falls, Knox City, Decatur, Dimmitt, Bowie, Abernathy, Iowa Park.

At the regular session of the Forty-second Legislature, when a tax of 2 cents on the 1,000 cubic feet was sought, citizens from gas fields testified pipe line companies paid but 2, 3 and 4 cents, some well owners in the Panhandle receiving the 2-cent price. For this reason the proposed 2-cent tax was reduced to 2 per cent of the value of the well. Well owners in other sections declared 3 and 4 cents was their contract price, and copies of these contracts were exhibited. Well owners sell to the pipe lines or wholesalers and the latter to municipal distributing firms. The commission said often the owners are the same.

School Officials Working to Elect Hill State Head

C. Wedgeworth, superintendent of the city schools of Snyder will be chairman of the statewide committee which is working to elect Dr. J. A. Hill president of the Texas State Teachers Association when it meets in Amarillo November 26, 27, and 28. C. A. Cryer, superintendent of the Dimmitt schools is chairman of the Panhandle regional committee.

110 school officials and administrators from all sections of Texas have already pledged their support of Dr. Hill who has been identified with public education in Texas since 1898 and has been president of the West Texas State Teachers College since 1918. Dr. Hill is a native Texan, and he has had experience in every phase of public school work. Records show that he was the sixth teacher to become a life member of the Texas State Teachers Association.

BUFFALO HEIFER FOUND DEAD IN THE PEN

The oldest buffalo heifer in the College herd was found dead in the pen Saturday morning. No cause for the animal's death has been ascertained.

There were in the herd the two old buffaloes and two heifers, until the death of the oldest one.

The two old buffaloes were bought from the Col. Goodnight herd nine years ago as mascots of the College.

STORK SPECIAL

Born to Mr. and Mrs. Darris Cheyne of Amarillo, a boy, Billie Darris, Sunday, September 13.

Upchurch Needs a Number of Items For Co. Exhibit

County Agent W. H. Upchurch announced Wednesday afternoon that he was in need of just a few more farm and garden products in order to have his agricultural exhibit of Randall county as complete as he would like to have.

The items he listed as being needed are as follows:

Pie Pumpkin.
Mexican Beans.
Watermelons.
Cashaw Pumpkin.
Enough Millett for a bundle.
Butter Beans.
Onions.

On several of these Mr. Upchurch has enough for his exhibit at the fair and on some he does not. Also some of the products are not up to the standard he would like for them to be and will appreciate any co-operation of citizens of the county in bringing in the needed products.

Those who have any of the above listed products are requested to deliver them to Mr. Upchurch as soon as possible.

Master Farmers in Contest Judged in Randall Last Week

Randall county's entries in the Globe-News Master Dairy Farmers' contest were judged last Wednesday. The official judges in the contest were: Professor Charles N. Shepardson and Professor A. L. Darnall, both of the dairy department of the A. & M. College of Texas, and D. T. Simmons, Fort Worth, secretary of the American Jersey Cattle Club in Texas.

A tour of the Panhandle counties which have entrants in the contest was begun last Monday morning. The party of judges were accompanied by Seth Holman, farm editor of the Amarillo News-Globe. The farms visited in Randall county were those of L. J. Fulton, C. C. Stewart and H. R. Fulton. The winners of the contest will be announced at a banquet one night during the Tri-State Fair next week.

Last year three men from Randall county were among the winners in the contest. These were Jim Watson, 1st, H. R. Fulton, 3rd and H. B. Hales, 10th. The year before Hales was also a winner. Watson was eliminated under rules of the contest, placing first last year and Hales did not compete.

After judging of the entrants over the Panhandle, had been finished, the judges made a special trip to the Tierra Blanca Jersey Farm east of town to see the famous herd of Jerseys on that farm.

Twenty-four Men to Work on College Farm This Year

Twenty-four young men will be furnished work which will enable them to attend college by the old T-Anchor Ranch which is now the property of the College.

The men range in age from 18 to 25. They have been chosen so that the corps of workers are able to do all the general and special work to be done on the College farm. They represent special skill in dairying, carpentry, care and judging of stock and other activities. They come from widely separated parts of Texas.

Professor T. M. Moore, who is in charge of the College Farm announces their names as follows: A. L. Jones, Eddy; George S. Gandy, Charles W. Jennings, Tulia; Howard Weatherly, Lakeview; Webster Willoughby, Texola; Earl Davis, Hale Center; Ronald Davis, Childress; Gaston Howell, Bula; Dayton W. Hanson, Jr. Friona; A. D. Fultz, Klondyke; Floyd Miller, Morton; Robert Lee Williams, Farwell; Clark Stockton, McLean; Joseph Newton Holt, Spearman; Jesse Harlan Black, Texico; Emmitt Brewer, Wellington; Frank Midkiff, Moran; Landis Bebermeyer, Albuquerque, N. M.; Lawrence Clark, Turkey; Lothar Tampke, Lavernia; Ralph Caldwell, Bovina; Arlin Hartzog, Farwell, and others yet to be selected.

The men begin their duties with the opening of the fall session of the college on September 23.

EX-STUDENT MARRIED

Announcement has been made of the marriage of Charles R. McAfee and Miss Elizabeth Loving of Colorado Springs. The groom is the son of Mr. and Mrs. C. R. McAfee of Amarillo, and is an ex-student of the College.

Mrs. A. B. Duncan transacted business in Amarillo Monday.

CANYON DAY AT TRI-STATE FAIR SATURDAY 26th

TWO PROGRAMS TO BE BROADCAST DURING THE DAY.

Chamber of Commerce Asks Citizens to Attend Fair on That Day—Wear Badges of City.

Canyon, Randall county, and West Texas State Teachers College will storm the Tri-State Fair at Amarillo on Saturday, September 26, which has been chosen as Canyon day at the fair, it is announced by Fred E. Wortham, secretary of the Chamber of Commerce. This date was set after a conference with Mason King, of the Amarillo Chamber of Commerce and a director of the fair, who was in Canyon early this week.

In connection with the special Canyon day at the Tri-State Fair, two special radio programs have been arranged to be broadcast from the fair ground studios of WDAG. The Buffalo Band of the college will appear in a brief 15 minute program from 1:15 to 1:30 p. m. Saturday, and another program will be given from 9:00 to 9:30 o'clock Saturday night. Also the Buffalo Band will be the guest band for the big rodeo in front of the grandstand Saturday night, Mr. King states.

The second radio program, the one in the evening will be made up of local talent and directed by C. W. Batchelder.

An urgent appeal is made by the Chamber of Commerce secretary for all people of the community, students of the college and citizens of the county to co-operate by attending the fair on Saturday.

Speaking of the special Canyon day, the secretary said, "We are indeed pleased with the co-operation of the Tri-State Fair officials in assisting us to arrange a special day and for the many cour-

(Continued on last page.)

Ideals of Rotary Makes Better Men, Better Citizens

Speaking for the vocational service committee, W. A. Warren made a fine talk Tuesday at the luncheon of the Rotary Club upon the work of his committee. Rotarians represent to those in their vocation the high ideals of Rotary International. It is a privilege to be associated with those who believe in, and live the high ideals which are set out as the object of Rotary.

The speaker pointed out the fact that the depression has changed many things in their world, but the individual is still just what his ideals may have made of him. Perhaps times like these are necessary, as the business man had been going too fast. To slow down was good for him moral and physically, and perhaps in the long run, financially.

Mr. Warren believes that the Rotary Club has been a good thing for Canyon. It has brought representative citizens of every walk of life together weekly to think over local, national and international affairs. It has given the members a new grasp on the meaning of life. There are new community problems, and will continue to be, and Rotarians will help in their solution.

Ben Anderson and H. F. Lauder of Amarillo were visitors of the club.

Bill Dawes Winner District Contest of Atwater-Kent

Wm. R. Dawes has been awarded first place in the district radio contest conducted by the Atwater-Kent Foundation. Mr. Dawes will go to Dallas next month to compete in the state contest. Last year he represented the Big Spring district, as there was no contest in this section of the state, and placed third in the state.

Alfred Jameson won third place in this district, and Miss Estelline Harris won second place in the contest for women.

ROAD DONATED TO COUNTY

A half mile of road was donated to the county Monday by M. V. Walter of Tulsa, Okla., N. F. Williams of Fort Worth and other property owners. The road starts at the nw corner of section 185 and ne corner of section 228, block 29, B & M, and runs a half mile south connecting with the highway. This is the property which will be developed into choice residential estates.

CHILDREN UNDER 6 YEARS EXCLUDED FROM SCHOOLS

Children under the legal age for school children will not be accepted at the public schools this year, because of the heavy enrollment of the grade school, stated Supt. Irby Carruth.

Those under the legal age for school attendance are those who were not six years old on or before September 1 of this year.

"Though the Canyon schools would like to accomodate these children," stated Mr. Carruth, "it is absolutely impossible for us to do so under the present conditions."

Protest Made of Closing Western Union October 1st

District officials of the Western Union Telegraph Company announced Tuesday that the Canyon down-town office would be closed on Oct. 1st with a view of economy in operating expenses. Protests are being made by business men against closing the office, owing to the fact that it is so inconvenient to transact business by wire through the depot.

Chamber of Commerce officials are asking that the office be maintained.

Miss Nan Wier, manager of the local office, will be placed on furlough should the office be closed.

Bargain Prices to Eagle-Panhandle on Saturday Offered

Supt. Irby Carruth stated yesterday that reduced prices are being made for the first night game ever played in the Panhandle between two high school teams. The price will be 25 cents and 35 cents. Owing to the fact that this will be one of the best games of the season, it is expected that a very large crowd will see this game.

Coach Brady states that his Eagles came through the Borger game Saturday in fine shape, and will be in the pink of condition for the game Saturday night.

Burleson Atkins and family and Miss Lorena Stallings of Denton spent Sunday with Mrs. R. W. Ratcliff.

NIGHT GAME TO OPEN FOOTBALL SEASON FRIDAY

1931 EDITION OF BUFFALO HERD SEEN IN ACTION.

Two-for-One Prices Offered for Opening Game—Panhandle A. & M. Coming for Opening.

Coach Burton's 1931 football team will be seen in action for the first time Friday night at 8:00 o'clock at Buffalo Park, when the team will meet the Panhandle A. & M. College of Goodwell, Okla.

Burton stated yesterday that bargain prices are being offered for the first game; the admission is $1.00, but a woman will be admitted free with each man paying $1.00 for admission, and two women will be admitted at the price of $1.00. A large crowd is expected to see the first game Friday under the flood lights of Buffalo field.

The new buffalo team, 26 strong, has been going good this week, according to coaches Burton, Crump and Jones. The men have been working hard twice daily, and are in very good condition for the opening game. The line up Friday night will have as good material as the College has had any year, state all of the coaches. Their only worry is the fact that few reserves are available for the line. The back field is exceptionally strong and fast.

Very few injuries have developed during the past ten days since the training camp opened, and the coaches are hoping, with the cool nights, that the team will go thru Friday's battle with no serious injuries.

The coaches are developing the team for the first important game of the season, with Texas Tech at Lubbock on Friday, Sept. 25th.

Prospective students of the College will pay $1.00 admission at the gate Friday night. A receipt will be given them, and this $1.00 will be applied upon the purchase of their blanket tax ticket after the College opens next week. The arrangements regarding free admission to ladies will not be extended to students.

HAD OPERATION MONDAY

Carl Scott had an operation for appendicitis at an Amarillo hospital Monday afternoon, and was reported to be recovering very nicely.

Twenty-Second Annual Session of College Will Open Next Wednesday —Prospects Good For the Year

Everything is in readiness for the opening of the long session of the college, according to President J. A. Hill who has called the faculty to meet for the first time next Tuesday at three-thirty. Freshmen and high school students should register on Wednesday and Thursday and sophomores and upper classmen should complete their registration Thursday.

Students who expect to take college entrance examinations must do so on Thursday and Friday of next week.

The committee in charge of student boarding places, which is composed of Dr. Harris M. Cook, Mrs. Geraldine Green and Miss Mattie Swayne has a long list of homes which are open to students, and which meet the college standards, so that young people who are coming to Canyon for the first time will have no difficulty in finding desirable living quarters. Dr. Cook states that there are now the best accomodations for young men that there have ever been in Canyon.

Many changes have been made this fall to meet the conditions that prevail. For teachers whose schools do not open until late in the fall there are the six-weeks courses which begin at the opening of the college and continue until November 5.

Books may be rented, thus saving every student a substantial amount. Students taking work by correspondence may also rent books.

Instruction in music may be arranged for without enrollment for other classes; this arrangement applies to single lessons which may be needed by music teachers or others who are preparing for some special occasion; to one one-hour lesson each week, to one one-half hour lesson each week, and to two one-half hour lessons each week. This plan has been worked out to help people in Canyon and surrounding towns who wish to take music, but do not wish to take other work in the college. Mr. Wallace R. Clark, head of the music department says he will be glad to answer questions about this.

Saturday Classes will be arranged this fall if there is sufficient demand for them. It is thought that there are many teachers and others in the territory adjacent to Canyon who would like to take courses on Saturday afternoon. These will be especially helpful to graduate students, it is thought. Dean R. P. Jarrett will make the arrangements for this type of work, which is residence work.

Extension classes are to be conducted at any places within reach of Canyon where there is sufficient demand.

The short vacation period has been used on the college campus to put things in order for the next year. The acoustics of the Main Auditorium are being corrected, and a new curtain hung. Additional footlights are being added to the stage, and a hardwood floor is being laid. When these jobs are completed the walls will be newly decorated and the windows be altered to temper the glare.

Work is going forward on the paving which will connect that already down east and west of the college. This will make driving through the campus a pleasure and will do away with much trouble during rain and snow storms.

The floor of the cafeteria is being painted this week. A new boiler is being installed at the heating plant. Rooms at both dormitories are being thoroughly cleaned and will be ready for the first arrivals next week.

Changes are being made at the College Farm so that a larger number of boys can be employed than ever before. This will reduce the expenses of the farm and at the same time enable twenty-four young men to work their way through college.

The number of inquiries which have been received, and the large number of people who have been in Canyon during the past two weeks looking at rooms and houses, indicate that the college attendance will be large.

Miss Agnes Meyers Died Friday Morning —Funeral Sunday

Miss Agnes Christine Meyers died Friday morning at 3:00 o'clock following an illness of several weeks. The funeral services were held Sunday afternoon at 4:00 o'clock at the Presbyterian church, conducted by Rev. W. C. Kunze, pastor, of which church the deceased had been a member for many years.

Miss Meyers is the daughter of Mr. and Mrs. P. J. Meyers of this city. She was born in Wheatland, Iowa, March 10, 1892, and the family moved to Randall county in 1908, which has since been their home. She was employed in the postoffice for a number of years.

The deceased is survived by her parents, Mr. and Mrs. P. J. Meyers; four brothers, Ed Meyers of Borger, Frank Meyers of Canada, J. P. Meyers of Tulia, and O. F. Meyers of Canyon; and one sister, Mrs. Paul White of Canyon.

The deceased has been an active member of the Eastern Star lodge.

Honorary pall bearers were: J. B. Fowler, Hud Prichard, Winfield Miller, Ralph Harter, M. S. Bishir, John Schramm, C. R. Burrow, T. C. Thompson, Oscar Hunt and Wallace Hazlewood. Active pall bearers were: Joe Gamble, W. C. Black, Dewey Foster, Wes Kleinschmidt, Carl Scott and Roscoe Davis.

50,000 People Have Viewed Palo Duro Park Says Davis

The Palo Duro Park has been visited by 50,000 people since its opening a few months ago, states Ray V. Davis, custodian of the Park.

Mr. Davis states that there have been no infringment of the rules as laid down, and people have been very courteous in attempting to keep the park in excellent condition. Mr. Davis stresses the following regulations as regards the park:

"Do not break off shrubbery, cedars, or cacti, or carry out odd rocks, fossils, petrified wood, or any other souvenirs.

"Fires will be allowed only by permission this winter, and then only within sight of the custodian. Dogs will not be allowed out of cars without they are leashed. Watermelon will be allowed in one place only. Smokers must be careful of matches and cigarettes to see that they are extinguished when discarded."

People from other states invariably comment that the Palo Duro Park should be state or nationally maintained instead of being kept by private interest, Mr. Davis said.

"This is the best time of the year to visit the canyon," he explained in inviting visitors, "and if you like to hike, get up a party and come on out. When you have friends from other places, don't fail to show them the Palo Duro Park. And come yourself."

MERCHANTS INSTITUTE IN FEBRUARY OR MARCH

Canyon is to have a Merchants Institute to be sponsored by the Chamber of Commerce at some time in February or March. This institute is being directed by the Trade Extension Division of the Dallas Chamber of Commerce. It will be in charge of H. W. Stanley, the exact date to be announced later.

Four subjects, Salesmanship, Advertising, Display and Merchandising will be discussed at the institute, which will be free to every business and professional man in Canyon and smaller towns nearby.

J. C. McClendon Grows Tobacco on Randall Co. Farm

Another scheme to avoid payment of the new state tax on cigarettes in the Panhandle has been discovered by J. C. McClendon who lives three and a half miles east of Canyon. As an experiment, last spring, Mr. McClendon planted some tobacco seed in his garden to see if it would grow and mature in the Plains country.

Now he has the tobacco as proof to show that it will grow here. He planted a few seed in a corner of his garden and now the stalks are several feet in heighth. Mr. McClendon has furnished the county agent with several stalks to go in the county agricultural exhibit at the Tri-State Fair. This will not be shown as a farm product in this county, but as a side product.

Miss Thelma Brummett, President Hill's secretary, was in Amarillo Saturday.

COUNTY EXHIBIT READY FOR FAIR HELD AMARILLO

RANDALL HAS WON FIRST PAST THREE YEARS.

Exhibitors Hard After Upchurch This Year—County Will Show at Disadvantage is Belief.

With only the finishing touches to be added and last minute details to be attended to, the Randall county agricultural exhibit is all but ready to go to the Tri-State Fair to compete for honors of the Panhandle, where it has won first place for the past three years. County Agent W. H. Upchurch has labored day and night for the past several days in preparing the products of Randall county for exhibition.

Fred E. Wortham, Chamber of Commerce secretary has been assisting Mr. Upchurch for the past few days in preparing the exhibit and getting it in readiness for the fair. Mr. Upchurch will go to Amarillo Saturday morning and begin setting up the exhibit.

Wortham states that Mr. Upchurch was behind schedule this year in getting the exhibit together. This is due to the fact that he spent considerable time earlier in the season in getting a wide representation of Jerseys from Randall county entered in the Fair.

This is one department which has not been entered in the past by men from this county.

Few people realize the time spent and quality of farm and garden products necessary to make the prize-winning type of display for which the county agent is famous. It takes a great deal of time and then much work must be spent in preparing exhibits for showing after the product has been gathered.

"It is probable that Randall county will not win first place at the Tri-State Fair this year," the Chamber of Commerce secretary says. "This may be attributed to several reasons. One of which is the effort being made by other exhibitors to beat Upchurch and Randall county this year at any cost. Another is that Mr. Upchurch has spent more time on the outside than usual, in making preparations to carry a good showing of livestock, especially dairy cows, from the county. A third reason might be advanced. The winning quality of products were harder to locate this year. There is an abundance of all kinds of farm products this year and much of it good, but to win in strict competition it has to be far above the average. Randall county will make a good showing whether or not the exhibit takes first place."

Freshmen Boys Are Offered Bargains in Room and Board

Mitchell Jones, freshman football coach of the College, stated yesterday that bargain prices are being offered to freshmen boys by the citizens of Canyon who live some distance from the College. Mr. Jones states that two families living in the extreme west part of town have offered to take freshmen, one at $12 per month and the other at $15 per month, if the boys will do work around the homes.

Mr. Jones states that he will have a big squad of freshmen football men out next week for the opening of training on the 18th. About 14 freshmen have been practicing daily with the first string men, and will go to Plainview Saturday to play Wayland College in a practice game. He expects his squad to increase to 25 or 30 next week.

"We are getting the kind of men that we want in college," stated Mr. Jones. "Every athlete we now have, and those freshmen coming next week, are here because they want to go to college, not just for the purpose of playing football."

Mr. Jones is very enthusiastic over the prospects of athletics in the College.

SERVING ON FEDERAL GRAND JURY, AMARILLO

L. B. Winn and Albert Byars, both farmers of Randall county, are serving this week on the grand jury in Federal Court which opened in Amarillo Monday.

J. D. Gamble of this city is deputy marshal of this district, and is serving during the term of court in Amarillo.

IS REMODELING

W. H. Woods is remodeling his home on Third street, making it larger and more attractive in design.

MEMBER TEXAS PRESS ASSOCIATION

It is refreshing to see a big daily newspaper like the Dallas News make a serious mistake. In Sunday's issue the News discussed the consolidation of the offices of tax assessor and tax collector, and stated that the constitutional amendment making this proposal would be voted upon this November. We call the attention of the Dallas News to the fact that all of the nine proposed constitutional amendments will not be voted upon until the general election of November, 1932. In the past the legislature has not been particular in trying to save the state's money as regard constitutional amendments. It costs many thousands of dollars to hold a special election, and with economy in view, all amendments will be written to be submitted in the general election of next year. This gives the voters plenty of time to think them over, and at the same time will save the cost of special elections. It has been found that very little interest is taken in special elections held on the question of constitutional amendments, and it is hoped that all nine proposals will be more thoroughly studied and more intelligently acted upon by their submission in the general election, especially due to the fact that next year is presidential election year, which in itself always brings out a larger vote.

Governor Long of Louisiana, a demigogue to the nth degree, is lambasting Governor Sterling nightly over the radio, because the Texas Governor has declared against Long's pet plan on prohibiting cotton planting in 1932. The situation is ridiculous. Governor Long has been elected to the United States senate, and has been on the pay roll of the national government since March. He refuses to relinquish his office because he does not wish to see the lieutenant governor succeed him. He places his judgment against the world as to the proper method of handling the cotton situation. That he succeeded in passing his pet bill through the Louisiana legislature shows however, the state of mind of the people of that state, and the desperate feeling among the cotton farmers. We admire Governor Sterling that he has been able to withstand the appeals of prejudice and the demands of hysteria which is rampant in the state at the present time. The Texas legislature is going to pass some kind of a cotton acreage reduction bill, but not so radical as the Long plan. However, any bill which is passed will probably be unworkable, and will have to withstand attacks in the courts of the state.

State officials have started to make a scientific study of utilities rates. Authority was given the Railroad Commission to make such a study, and power was gvien to make rate adjustments. City commissions have been urged by citizens to take some action, either for municipal plants, or to declare by ordinance reduction in rates. Cities where court action has been taken have found this an expensive and very unsatisfactory method. The only correct method is for the state to make a thorough and complete study of rates, and then set rates which will be fair to both the utilities companies and to the people. The Canyon city commission has asked for a study to be made of its rates, and the request has been granted by the Railroad Commission. The city officials are doing everything in their power to see that the people are given just and adequate rates.

The unusually large increase in school attendance in Canyon public schools this year indicates that the fame of the local schools has travelled far. Supt. Carruth states that more people have moved here in order to take advantage of the schools than in any year he has been connected with the local schools. Canyon is exceedingly proud of its local institution. Education may seem to come high, but in the long run the correct kind of education is very cheap. Canyon citizens are getting their money's worth for all money invested in the school system.

Being among those who have made those ugly sheep paths across the court house lawn, we hope the commissioners court will order barbed wire entanglements, if necessary, erected and pinch every one of us who cut across the lawn. Those sheep tracks are very, very bad. They absolutely spoil the appearance of the lawn. This fall has been very bad on the lawn, without having people cutting across and making paths. Let's resolve to help the county officials maintain a pretty lawn by staying on the sidewalks.

Don't kick about being stuck on some advertising scheme should you patronize one without asking the solicitor if he has a letter of endorsement from the secret advertising committee of the Chamber of Commerce. The Chamber of Commerce is trying to save the merchants of Canyon money and shield them from unworthy schemes sponsored under the guise of advertising. Do not patronize any kind of a scheme unless the plan has been submitted to the committee.

The Red Cross gave thousands of dollars to drouth stricken counties of Texas last year. Now that cotton is low, the price of picking has been reduced, and it is reported that laborers are refusing to work, and will appeal to the Red Cross for aid this winter. The Cross has issued warning that no money will be sent to Texas this winter, as it feels that the state is in such condition that it need not be helped.

W. T. will open next week, and the town is being canvassed by worthy young men and women who must have part time work in order to stay in college this year. Those who have jobs to offer students will be conferring a great favor on worthy young people, and at the same time assisting very materially in holding up the enrollment of the college.

The excessive heat wave and drouth extends all over the middle west and southwest. The wheat farmers are more perturbed than any other class, as wheat must be planted pretty soon if there is a chance for a crop next year.

News in Canyon 25 Years Ago

(From the files of the Canyon City News, September 14, 1906.)

C. W. Jochen of Umberger visited this office Tuesday. He says that his locality has had no rain recently but that the maize and kaffir crops were as fine as could be. He has cut his sorghum, also his maize with a binder and has wheat up and growing nicely.

E. W. Reynolds is talking of building an eight-room concrete block house on his land in the West End.

Canyon City Public School opened Monday with 277 pupils. This gives a general average for the seven teachers of nearly forty students, although for various reasons, they, of course, cannot be allotted on the average plan. All the trustees were present at the opening, the exercises of which were very brief. The school starts off well and gives promise of being up to the high standard already established for our town.

Mrs. S. L. Ingham arrived yesterday and our new dentist will now be at home in his recently bought residence, the Reese Hough place. Dr. Ingham has come here to stay and practice his profession, dentistry. He is very highly recommended and is an old hand at the business and proposes to guarantee his work. He has his office in the Canyon National Bank building.

Sheriff Slover arrested a young man Saturday for the theft of a bicycle and on the same day turned him over to Sheriff Inman of Deaf Smith county. The young fellow had sold the wheel to Bob Hileman for $12.50.

Mrs. Williard and daughter, Miss Minnie, left Wednesday evening for Lexington, Mo., where they expect to remain nine months or longer. Miss Minnie will enter college there.

Thomas Bros. have purchased the old Canyon Mercantile building at $2,000 and intend running it as a rink and as an opera house.

RUPTURE
EXPERT HERE

C. F. Redlich, Minneapolis, Minn., will demonstrate without charge his unequaled method in Amarillo, Friday, Sept. 25, at the Herring Hotel, from 10 A. M. to 4 P. M. Please come early.

Mr. C. F. Redlich says:

"The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time.

The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting, sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear.

Bring your children. According to statistics 95% recover by our method.

ATTENTION: You cannot fit yourself successfully with appliances sent by mail. It requires personal attention by an expert to obtain lasting results.

If you Roll your own.. it's smart to use P.A.

2 full ounces in every Tin
No other tobacco is like it

If you've never rolled your own with P.A. you've missed a smoke trick. Just spread some of that smooth rolling, smooth smoking Prince Albert in a makin's paper. Then go ahead and roll the best little cigarette that ever took form in your fingers. So quick and easy...

Notice how Prince Albert stays put in the making, without fuss or muss. That's because P.A. is crimp-cut.

Cool as a cucumber right off the ice. Sweet as a melon from the same place. Mild as a sisterly kiss.

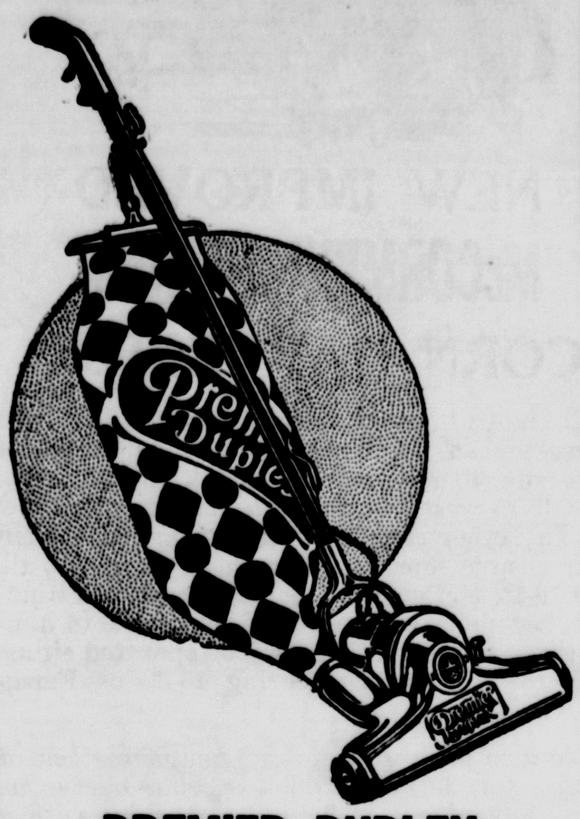

Do you like a pipe? You *will* with P.A. for packing. The most contented bunch of pipe-smokers in the world will tell you that pipes were born for just such tobacco. Men who were pipe-shy for years have found that they *can* smoke a pipe now...and enjoy it. You try it!

—NEXT TO P.A. THE RIGHT PAPERS. Straight from France, the home of the world's finest cigarette-papers—straight from the famous factories of Bolloré, for more than a hundred years maker of the world's finest cigarette-papers, come OCB's, made expressly for R. J. Reynolds Tobacco Company—and YOU. Book of 150 leaves, 5¢, at the store where you get good old P.A.

REBEKAHS MAKE PLANS FOR SPECIAL PROGRAM

At the meeting of the Canyon Rebekah lodge Tuesday evening following the business session, Mrs. Charles Stratton drew the weekly contest prize, and will in turn bring the prize article for next week.

A special program is being planned for next Tuesday evening. The meeting will begin at 7:30, a half hour earlier than usual, and all members are urged to attend. The degree team will perform the lodge work dressed in their uniforms of white, special music will be given and a short history of the order will be read. Refreshments are to be served.

Those present at the meeting this week were: Mesdames Lockhart, Strain, Johnson, Myers, Weeks, Cole, Hendrix, Hair, Stratton, Gibbs, Laughery, Sullivan and Tanner, and Misses Columbia Redfearn and Warren, and S. F. Benge and A. K. McBride.

T. M. Moore transacted businness in Amarillo Wednesday afternoon.

MRS. J. J. WALKER ENTERTAINS CLUB

The meeting of the As You Like It club Thursday afternoon was the occasion for a very lovely afternoon party at the home of Mrs. J. J. Walker, 2105 Fifth Avenue, with Mrs. Walker as hostess.

Autumn flowers in many shades were an added attraction in the rooms where the guests were seated. Four tables were placed for bridge. At the refreshment hour an iced course was served.

Those present included: Mrs. N. E. McIntire, Mrs. Clyde McElroy, Mrs. Elizabeth Chandler, Mrs. Lottie Williams, Mrs. Dan K. Usery, Mrs. William Ash, Mrs. T. M. Moore, Mrs. Earl Robbins, Mrs. Annie V. McCarty, Mrs. Chas. Dowlen, Mrs. J. L. Duflot, Mrs. F. F. Ferrell, Mrs. Felix Neff, Mrs. A. W. Sternenberg, Mrs M. L. Saddoris and Mrs. T. C. Thompson.

Mr. and Mrs. Glynford Fowler and daughters of Crosbyton spent the week end in the parental Milton Kiker home

LUCKY 15's MEET AT FARLOW HOME TUESDAY

Mr. and Mrs. G. A. Farlow and Mr. and Mrs. Oscar Gano entertained the members of the Lucky 13 Night club with a dinner-bridge at the home of the former couple, 1913 Fifth Avenue, Tuesday evening.

A delicious two-course dinner was served at 8 o'clock followed by bridge until a late hour. Lovely decorations of fall flowers were observed in the rooms where the guests were entertained.

Those present were: Mr. and Mrs. Joe Black, Mr. and Mrs. J. L. Duflot, Mr. and Mrs. Roscoe Davis, Mr. and Mrs. A. R. Eastwood, Mr. and Mrs. Frank Hicks, Mr. and Mrs. Ed Mickle, Mr. and Mrs. Burt Newlin, and Mr. and Mrs. Hud Prichard.

DELIGHTFUL PICNIC AT SIX MILE CROSSING

Mrs. Lottie Wineinger of Amarillo entertained members of her family and a few friends with a picnic supper at Six Mile Crossing Friday evening.

After the spread, informal games were played during the remainder of the evening.

Those present included: Miss Hazel Wineinger and Misses Lucy and Mabel Schmitz and Mr. and Mrs. Charles Wineinger of Canyon and the following from Amarillo: Mrs. Lottie Wineinger and sons, Donald, Oral and Reymond, and Lyman Hall and Edgar Williams.

MRS. JACK FOSTER ENTERTAINS CLUB

Mrs. Jack Foster entertained the members of Les Joyeuse Femmes and their husbands with a delightful affair at her home northwest of the city Thursday evening.

A profusion of garden flowers were beautiful decorations in the rooms where the guests were assembled and where tables were placed for bridge. Following the games a refreshment course of ice cream and angel food cake was served.

Special guests besides club members were: Mr. and Mrs. Morrison of Amarillo, Mr. and Mrs. John Downing, and Miss Mabel Davis.

MISSIONARY SOCIETY TO MEET TUESDAY

The Methodist Missionary society will meet Tuesday afternoon, September 22, at 3 o'clock in the parlors of the church to continue their mission study on the second chapter of "The Turn Toward Peace."

WILL GIVE DRAMA AT METHODIST CHURCH

The churches of Canyon, cooperating with the Anti-Saloon League of Texas, will present a drama at the Methodist Church next Wednesday, September 23 at eight o'clock. Dr. Atticus Webb will have charge of the program which will include a cast of 25 people.

Judge Henry S. Bishop of Amarillo will take the principal part in the play which is called "Who Killed Earl Wright?" There will be no admission charge. The play is given to present to the people of Canyon, in a highly artistic and dramatic way the part that is played by the bootlegger in present day American society.

The public is invited to attend, and students who will be in town in great numbers by that time are especially urged to see the play. All those taking part in it are Canyon people.

PALO DURO CAFE MAKES IMPROVEMENTS PAST WEEK

In keeping with the redecorating spirit that has manifested itself so many times in Canyon the past few weeks, J W. McDaniel has made considerable improvements in his place of business, the Palo Duro Cafe, on the north side of the square.

New linoleum in an attractive design has been laid in the front part of the cafe and new equipment in several lines has also been added, making the business more modern in every way.

FIRST CHURCH OF CHRIST SCIENTIST

15th Street, 7th Avenue.

Services every Sunday at 11 and Wednesday at 8 p. m. when experiences, testimonies and remarks on Christian Science are given. Sunday school meets at 9:45. All under twenty years of age are invited to attend these classes. Subject for Sunday, "Matter."

A reading room is maintained in the church from 3 to 5 on Tuesdays, Thursdays, and Saturdays, excepting holidays, where the Bible and authorized Christian Science literature may be read, purchased or borrowed. The public is cordially invited to attend these services and to visit the reading room.

Velman Warrick of Wellington visited friends in Canyon Monday.

Faculty Returns From Summer's Vacation Trips

When the West Texas State Teachers College opens on September 23, fourteen members of the faculty will return fresh from study or travel.

Professors Stuart H. Condron and J. A. Gillis have returned from Colorado State Teachers College where they have been working toward the Doctor's Degree. Mr. Condron is head of the department of government and Mr. Gillis is in the manual training department.

The department of music has four members who have been on leave. Miss Pauline Brigham returns as head of the piano department after receiving her Masters degree from the University of Oregon. Herschel Coffee, head of the violin department returns from a year's private study with Sylvan Noack of Los Angeles and in the University of California. Mrs. Mae Coffee has studied in the same university and has been a piano pupil of E. W. Grabill of Los Angeles. Miss Ada Clark, teacher of public school music, has just received her Masters degree from Peabody College where she did special work in her field.

Professor T. M. Clark has spent the summer at Portland, Texas. He is a member of the modern language department.

Miss Marion Normington has been working toward her Doctorate in Columbia University, New York.

The head of the art department, Miss Isabel Robinson, has been on leave during the summer and has spent the time painting in the Lake Region of Minnesota.

Miss Margaret Lee Wiley returns to the English department after a year spent in teaching and study.

Miss Angie Debo has spent two years completing the work for her Ph. D. degree at the University of Oklahoma, under the direction of Dr. E. E. Dale. She returns to the department of history.

Professor Herschel Jennings returns after completing the work for his Master's degree at the State Teachers College of Colorado.

Miss Darthula Walker, head of the geography department spent last year in a trip around the world as a member of the faculty of the Floating University.

Miss Bessie Engle of the same department will return from Chicago where she has spent the summer.

All other members of the faculty have spent the three weeks since the close of the summer session vacationing and preparing for the heavy enrollment which is expected this fall.

Wayside Items.

High and dry winds prevail, vegetation failing fast.

Surprising, the amount of canning going on, considering the dry year. Lots of corn is being put up, immense quantities of peas, blackeyes and some English, tomatoes are fine and lots being canned. Beef will be canned later.

Ben Harrison who has been with J. E. McGehee this summer, left Aug. 29, for State College, N. M. His mother visited him while at Wayside. Our best wishes follow him.

Miss Douglas finds an agreeable home with Mrs. Bessie Lane this session of school.

Mrs. Etta Gillham has moved to Pampa to get the advantages of the school there. Noble is on the farm here.

Improvements for Wayside school now being put in are drinking fountains, sink for the teacherage, possibly something else.

We are pleased to report plans are being made to repair our church, much needed for some time. Subscriptions started last Sabbath to secure funds for same. A pleasant surprise to many at the ready response met by a goodly number. However, we need to continue the good work. Need more funds.

W. R. Franklin, wife and children accompanied by Mrs. Ida Sluder, Mr. and Mrs. Jim Black and Alton, with Mrs. W. H. Hamblen were part of Waysiders who attended services at Happy Saturday night. Rev. John Rowan is an old time friend to many in these parts. We think he has accomplished a great work in past two weeks services at Happy. Our prayers and best wishes follow him wherever he goes.

Mr. and Mrs. L. B. Rogers, Mrs. I. C. Jenkins and Miss Sallie McGehee and Irving Lane from Canyon visited the W. I. Lane home Sunday. The five sisters, former McGehees had a most delightful occasion Sunday afternoon together.

The "Alabama Boys" Winfred Herron and Clinton Sheehan who spent a few weeks around Wayside, left for their home, Dothan, Alabama, last week. They were well pleased and left saying they would return some time.

Miss Lorine McGehee and Miss Emma Brossam are pleasantly situated in Jerome, Arizona, a mining town among the mountains. Both have good positions in school there.

Fairview Breezes

Most of the farmers are busy cutting their row crops.

W. M. Kinsey, Homer Kinsey, Billie Williams and Felix Legate of Childress, motored to New Mexico after some apples Monday, returning home Tuesday.

Mrs. Albert Legate, also Pete and Martha Sutton spent Saturday night in Friona, visiting Albert Legate, who is working over there.

Mr. and Mrs. J. M. Allred are entertaining a number of their relatives from New Mexico this week.

Erma Mae Sutton spent Saturday night with Clyemma Belle James.

Felix Legate and Billie Williams, also Mrs. Albert Legate and baby spent Sunday night in the W. M. Kinsey home.

Quite a few of this community are on the sick list. Among those are Mr. and Mrs. H. E. Evans, Loretta Evans and Mrs. W. M. Kinsey.

Jack Sutton spent Saturday night with Luther Wesley.

Mrs. Gene Zachery has been staying in Canyon sending her children to school. Her daughter, Miss Ruby is staying at Canyon this week while Mrs. Zachry stays on the farm.

Elvin Wesley turned his truck over Saturday morning. He escaped with only bruises.

Miss Theresa Robinson leaves tomorrow for Lubbock where she will take up her duties as substitute teacher in Texas Technological College temporarily replacing Mrs. Buckner of the English department who is ill.

Mrs. Clyde W. Warwick returned Friday from two months spent in California with Mrs. Mattie J. Warwick, who is greatly improved after a serious illness.

Mr. and Mrs. Cecil Jones of Amarillo and Victor Walsh of White Deer visited in the home of Mrs. B. Brewer, Sunday.

NEW IMPROVED McCORMICK-DEERING CORN HARVESTER

Well known to every farmer to be the best corn harvester on the market saving all kinds of row crop, it matters not what kind of crop. It will harvest your crop when it is too low for any other corn harvester to handle. When your crop is short you have need to save it all. The 10-ft. McCormick-Deering Broadcast Binder is becoming very popular, being able to handle three rows at a time. Can be operated either with the McCormick-Deering 15-30 or Farm-All Tractor.

We also have a large and complete stock of repairs for the McCormick-Deering harvester. Many advantages in having a machine with a good reputation of service and repairs. Figure with us on a machine.

Wilson Items

School is in full sway now. We have all settled to the tasks and joys before us.

George Conner Wilmoth, a pupil of Wilson School, treated the children to watermelon Tuesday.

Miss Marie Landress is attending school in Fort Worth this year.

Mr. and Mrs. L. Holman visited in Canyon Sunday.

Vernell Hancock was a visitor of Lillian Chambers in Canyon Sunday.

Mr. and Mrs. Frank Vorwald, Mr. and Mrs. George Frank, and Mrs. Walter Sibley spent Sunday in the Otto Skarke home.

Mrs. John Brandt, and daughters, Gertrude and Ida, and Mrs. L. Brandt were in Canyon Saturday.

Mr. and Mrs. L. Holman and little daughter, Willie May, visited Mr. and Mrs. Bill Snapp in Dawn one day this week.

Mr. and Mrs. Nick Hollenstein and son Anton were attending to business in Canyon Saturday.

Egbert Neelley made a trip to Ceta Canyon on Saturday.

Mrs. J. L. Buchanan and Mrs. L. Holman were callers in Canyon lately.

Wednesday, Mrs. W. L. Johnson, who has been quite ill for some time, was surprised with a chicken dinner prepared by Mrs. P. L. Hancock.

C. H. Wolfe and son of Davidson, Oklahoma, returned home Tuesday, after plowing on their farm here.

Joe Tucek bought a new drill Tuesday.

Mr. and Mrs. George Wilmoth and children visited in the Lain home Sunday.

Mr. and Mrs. J. L. Buchanan visited with Mr. and Mrs. L. Holman Sunday evening. All enjoyed the ice cream.

Mr. and Mrs. Conner of Claude were visiting their daughter, Mrs. Wilmoth one day this week.

John Brandt and son Dennis, helped Mr. Hollenstein repair his row binder Saturday.

Rev. and Mrs. O'Dowd of Canyon, enjoyed visiting and eating ice cream in the Hancock home Monday evening. Miss Mary O'Dowd a sister, accompanied them.

Jowell News

School opened Monday, Sept. 7 with Mrs. C. W. Fewell as teacher and 16 pupils enrolled.

P. T. A. was organized Monday. Mrs. M. W. Dooley was elected president and Mrs. Tom Cope, secretary. The first meeting was held Friday night. Judge Orton of Canyon gave an interesting talk.

Quite a number of folks in this community were very much grieved to hear of the death of Miss Agnes Meyers. Miss Meyers lived in this community a number of years before moving to Canyon. Our deepest sympathy is extended to the family.

Mr. and Mrs. P. P. Doss of Weslaco, Texas are visiting in the home of M. W. Dooley.

Mr. and Mrs. W. F. Glenn and son of Arney visited with A. L. Glenn and family Sunday.

Mr. and Mrs. Landrum and daughter visited Mr. and Mrs. Dooley Sunday.

Mr. and Mrs. Earl Davis spent Saturday with Mr. and Mrs. C. W. Fewell.

Walter Graham branded cattle this week.

Harold Leavitt who is attending high school at Canyon spent the week end with home folks.

Palo Duro Peeps

School started Monday, Sept. 7, with Mr. and Mrs. Virgil Dodson as teachers. With the addition of six beginners, our enrollment totals thirty-six.

O. D. Bragg, B. S. Campbell and E. A. Wright left Wednesday for New Mexico and returned Saturday.

Henry Miller and daughters, Hilda and Clara, were in Amarillo on business Saturday.

Frederick Marshall returned from Graham, Texas, Saturday, where he has been visiting.

Mr. and Mrs. Raymond Boehning gave a delightful party Saturday night.

B. S. Campbell and E. A. Wright and families visited in the O. D. Bragg home Sunday.

Mrs. J. T. Marshall and Mrs. Elmer Marshall of Canyon spent Monday in the home of their son and brother, Mr. Fred Marshall.

Herbert, Emma, and Velma Neiman of Oklahoma were visitors in the home of Mrs. Pauline Wendelken, Friday evening.

Miss Irene Meyer entertained a number of her friends of the community with a slumber party Saturday night. Those present were, Misses Leona, Anne and Elsie Meyer, Hilda and Dora Miller, Leona Albers, Erna and Margaret Meyer, and the hostess.

Miss Margaret Meyer spent Sunday evening with Miss Dora Miller.

Miss Elsie Bauer of Happy, spent Sunday afternoon with Clara and Martha Miller.

J. T. Gillham was absent from school Monday on account of illness.

Mr. and Mrs. Gene Root and daughter, Mr. and Mrs. Cass Jennings and daughter, Mr. and Mrs. John E. Albers, Mr. and Mrs. E. A. Micheal and children, Miss Leona Albers, and George Albers were visitors in the E. H. Albers home Sunday afternoon.

Mrs. Edd Moore and her mother, Mrs. Schaeffer of Happy, were guests in the F. S. Gillham home Sunday.

Mr. and Mrs. Frank Allen from Amarillo visited with Mr. and Mrs. Virgil Dodson, Sunday.

Miss Bernice Moore, Helen and Mary Anna Thomas, Myriel and Evelyn McClendon and Anna Lee Clayton visited with Lucille Gillham, Sunday.

Mr. and Mrs. I .W. Scott and family were visitors of Mr. and Mrs. Virgil Dodson, Sunday.

Lawrence Moore and L. E. Thomas visited with J. T. Gillham, Sunday.

Sunny Hill

The second week of school finds the children busy preparing to send an exhibit to the Tri-State Fair which will be held in Amarillo next week. Articles are being made from such materials as native clay, bear grass, wooden boxes, wire, spools, newspapers, feed sacks, and rags.

The county commissioners have recently placed wooden culverts at the two entrances to the school campus. Also a foot bridge was placed at the roadside where the school bus of the Rusk district leaves and receives 16 pupils. We wish to express our appreciation for these much needed improvements.

Forrester Hollabaugh and Ernest Duncan borrowed a fresno last week for the purpose of improving the looks of the school ground. They moved dirt from near the teacherage to the basketball court. This is not the first time these two boys have rendered such service to the school. Earlier in the year they plowed the ground for the garden and trees, and hauled sand for the children's sand bed. Of course there are others who have been of service to the school, but we believe these two boys deserve special mention at this time.

R. E. Hughes, who is visiting Mr. and Mrs. Roby and family has been busy the last few days cutting weeds and watering the school trees.

J. F. Sykes and family were visitors in the C. S. Stallings home Sunday.

I. H. Hollabaugh and family visited Mr. and Mrs. Bill Davis Sunday.

Mr. and Mrs. G. W. Lash moved into our community this week and enrolled their daughter, Dorothy, in this school.

Sunny Hill P. T. A. Organized

A number of the patrons of the Sunny Hill school, together with the teachers, met at the school house Friday night, September 11th for the purpose of organizing a Parent-Teachers Association.

Following the opening talk by Mr. Roby, an interesting explanation of the benefits of such an organization to the school and community was given by Mrs. Sternenberg of Canyon.

Officers were elected and it was planned to have some real get-together meetings and interesting programs at Sunny Hill this school term.

The next meeting will be held Friday night, Sept. 25th at which time a program will be presented. The programs are to be under the direction of Miss Margaret Benge, music and expression teacher of the Sunny Hill school.

The entire community is invited to attend these meetings and take part in the programs. We hope to make a success of our association and help to put Sunny Hill on the map.

Do your shopping in Canyon.

Zita Breezes

Mr. and Mrs. L. J. Fulton and Mr. and Mrs. W. H. Groom and families spent Sunday at the C. C. Stewart home.

School is progressing fine.

Mrs. E. M. Elliott and Mrs. Jim Watson visited Mrs. Emma Gruner Sunday.

Mr. and Mrs. L. J. Fulton and Mr. and Mrs. H. R. Fulton visited Monday in Oklahoma.

Mr and Mrs. John Cook of Indiana spent Monday night in the C. C. Stewart home.

Several men are getting their stock in fine shape for the Fair.

THE EAGLE'S TALE

VOLUME NO. 6 CANYON, TEXAS, SEPTEMBER 17, 1931 NUMBER 2

CACTUS CAL

Well, well, so the Eagles beat Borger and I thought oil men were tough.

It sure was a great game. One side would get the ball, then throw it away and run and try getting it away from the man that got it. That work looks useless to me, all that big scrap over a dinky little ball.

Wayne Porter, an ex-eagle, assisted greatly in winning the game as he was water boy. Jim Cabe, another dignified ex-Eagle, was head linesman.

If every player worked as hard as the ex-Eagles, the Eagles would win the state.

DO BETTER NEXT TIME

Drunken driver misses a judge and gets three months.—New York Times.

Girl Scouts Hold Court Awards Wed.

A Girl Scout Court of Awards was held Wednesday night, Sept. 9, in the basement of the Presbyterian church.

The opening number was "America the Beautiful" given by all the Scouts. Mary May Harrison followed the song by a reading. Mary Orton and Kathryn Robinson gave a cornet and clarinet duet, accompanied by Miss Addaline Strain. A reading was given by Irene Thompson. Rubye Foster gave a violin solo accompanied by Robbie Lee Foster.

The presentation of Tenderfoot badges then took place. Second Class and Merit badges were then presented. Mary Orton, Kathryn Robinson and Rubye Foster received the most merit badges.

Miss Lois Goodrich, our Girl Scout leader, who has been away for the summer, gave an account of her experience in New York.

Miss Ethleen Murrell, who has supervised scouting this summer, has promised her assistance this winter.

LIVING UP TO THE MEDICINE

"John, the doctor has ordered me to the seashore."

"Why, you're not run down or tired out, are you?"

"No, but I shall be by the time I get my trunks packed."—Boston Transcript.

Students Enjoy Talk in Chapel By Rep. Warwick

Representative C. W. Warwick spoke to the student body, Sept. 10, on some of the economic problems which were being presented to the legislature of Texas. He brought home to the students the part that they can play in making conditions in Canyon better.

C. W. Warwick has been closely connected with the development of Canyon Public Schools. The student body always welcomes his addresses.

Club Work is Begun Here Monday

DRAMATIC CLUB

Twenty-eight people attended the first meeting of the Dramatic Club. Miss Loudder took charge. She has a plan for this year's Dramatic Club which consists of the five following committees:

Stage arrangement, advertising, costumery, financial, and property.

The next thing the club did was to elect these efficient officers:

Virginia Leigh Bull, President.
D. B. Pearson, Vice President.
Marjory Tankersley, Secretary and Treasurer.

Miss Loudder plans for this year's club to study one act plays. The study of stage settings and make-up will also be made.

MUSIC CLUB

The Music Club was organized Monday with Mrs. Lee Foster as sponsor.

The officers elected were:

President, Leona Vetesk.

Secretary and Treasurer, Lilla Beth Burroughs.

"Composers of Today" was the subject of a round-table discussion.

S. P. Q. R.

The organization of the Latin Club, S. P. Q. R., gave promise of being a tremendous success. Latin songs were sung with enthusiasm.

A Latin game followed. The contest was in its midst when the bell rang.

More fun is expected in the following meeting.

PRESS CLUB

The Press Club was organized Monday with the following officers elected:

President, Vincent Lockhart.
Sec'y-Treas., Nan Johnson.
Social Chm., Louise Wester.

Also George Brewer was elected chairman of the program committee for four weeks.

SOCIAL SCIENCE

The Social Science club was organized last Monday with Miss Murrell as sponsor, and the following officers were elected:

President, Wilford Taylor.
Vice president, Irving Lane.
Sec'y-Treas., Edwin Dutton.
Program chairman, Gertrude Dollahay.

PHRMACEUTICAL ERROR

Two druggists were talking about one of their conferes.

"He is a great druggist," said one.

"He is," admitted the other. "But don't you think he makes his chicken salad a little too salty?"—Hudson Star.

EAGLES' SCHEDULE

Panhandle High at Canyon, Sept. 19.
Silverton High at Canyon, Sept. 25th
Happy High at Happy, Oct 2.
Plainview High at Plainview, Oct. 9.
Tulia High at Canyon, Oct. 16.
Dimmitt High at Dimmitt, Oct. 23.
Floydada High at Canyon, Oct. 30.
Hereford High at Hereford, Nov. 6th.

C. H. S. Seniors Organize For Last Session

The Seniors of C. H. S. met Wednesday, Sept. 9, to organize and to elect officers for the coming year.

The following officers were elected:

Wilford Taylor, President.
J. L. Harden, Vice President.
Curtis Bell, Sec'y-Treas.

Wilford Taylor is one of the few persons in the class who have been with Canyon High School for all their school work. Taylor has held office in his class several times previously and is well qualified for the faith placed in him this year.

J. L. Harden has been in the class of '32 for four years. He also has held office in his classes before and is in a good position to aid Taylor in every way.

Curtis Bell came from Sayre (Okla) High to join the class last year. In his junior year, Bell held the office of secretary-treasurer very competently.

"You had some fresh shrimp here last week," began the purchaser. "Now—"

"Yes, ma'am," interrupted the market man apologetically, "but I fired both of 'em."

QUICK GROWER

A little girl who had been left to watch the soup was presently heard to sing out, "Oh, mother, come quick, the soup is getting bigger than the pot."—Tit-Bits.

Canyon Eagles Win the First Tilt of Season

The Canyon Eagles got a flying start by defeating the Borger Wildcats 13 to 7 in the opening game of the season.

The Eagles opened the game with the kickoff to Borger who returned the ball to the 20 yard line. The Wildcats fumbled and Canyon recovered. Several off-tackle plays resulted in Canyon's first counter. The kick was unsuccessful.

The Eagles scored again in the second quarter when Tucker intercepted a pass and dashed 40 yards, putting the ball over.. Wooten added another point bringing their lead to 13 which was too much for the Borgerites to overcome.

Borger won her tally on a 35 yard pass.

The squad played well, especially Wright, Miller, Harden, Tucker, and Pearson, and it is expected that they will all show good form when they meet Panhandle, Sept. 19, under the lights at Buffalo Stadium.

Grade School Library Enlarged

The library of the grade school has been enlarged this year by the addition of about $100 worth of new books. These books are divided among the seven grades.

The grade school is gradually increasing its number of books by getting a few each year, and in this way it has become a library of which the school is very proud.

C. H. S. Eagles To Play First Night Game

Saturday night, Sept. 19, the Canyon High School Eagles will play under the electric lights for their first time. Their opponents will be the stronger and heavier Panhandle eleven.

The Eagles displayed good ability at Borger last Friday and much is expected of them against Panhandle.

The first conference game will be Sept. 25 at Happy with the Happy Jacks.

Come out and help the Eagles win!

The bargaining for a cow had been going on leisurely for an hour. Finally the prospective purchaser came right to the point.

"How much milk does she give?"

"I don't rightly know," answered the farmer who owned her, "but she's a good-natured critter, and she'll give all she can."

Autoist—"I clearly had the right-of-way when this man ran into me, and yet you say I am to blame."

Officer—"You certainly were."

Autoist—"Why?"

Officer—"Because his father is mayor, his brother is chief-of-police and I go with his sister."

SUPPORT YOUR TEAM

Right now at the first of the year is the time for Canyon High students to start supporting their team and school. As old students we know what it means and as new students you will soon realize its significance. A slacker or knocker of his team is never well received in Canyon High. He is hardly tolerated by his shoolmates and he finds his school life anything but happy. For our own sakes lets be an Eagle booster. Saturday night the Eagles are going to fight the first home battle. To show the town and team what we think of our school, let's turn out 100 per cent.

The team has worked hard and earnestly. We have every chance for a winning crew. All they need is the school's support. Pep members cannot furnish all the backing it takes for the team. It takes every pupil in high school to furnish that. Boys not on the team owe as big a debt of loyalty as the girls.

Come on gang; lets put the Purple and White on the top next Saturday night. Your school needs you.

Chicago's most beautiful show girls in the biggest and most gorgeous production of 1931. Dazzling costumes, marvelous settings, breath-taking scenes—all every night before the grandstand. Also spectacular fireworks, after the show each night. Popular prices.

THE FAMOUS LEONARD STROUD'S

BIG RODEO CONTEST

The best riders and ropers in America will compete for $1500.00 in cash prizes! Trick riding, bronche bucking, steer riding, roping contest—the best of the West's cowboys in thrilling, death-defying events and exhibits of skill. Every afternoon—at popular prices.

Amarillo Fair To Be Host To Bands Galore

More than 25 bands, representing cities and towns in the Panhandle-Plains and New Mexico, already are making arrangements to attend the Tri-State Fair, September 21 to 26, at least one day, and Mason King, trade extension director of the Amarillo Chamber of Commerce, this week is making a tour of the Panhandle to invite others.

A feature of the fair, started last year, is that of broadcasting music by the various bands over Amarillo's two radio stations, WDAG, and KGRS.

Although various towns are assigned special days at the fair, many fall on the same date, creating keen competition between bands and delegations.

Of unusual interest this year will be the Indian delegation to be brought here from Albuquerque, N. M., on New Mexico Day, Friday, September 25, this aggregation of Indians, taken from the cast of the "First American," Albuquerque's Indian spectacle, will bring its own band.

With early entries in the various departments piling up fast, all amusement features arranged, including Leonard Stroud's rodeo for each afternoon before the grandstand, general plans running smoothly, Wilbur C. Hawk, president of the fair association, predicts a record crowd will pass thru the now famous free gate during the six-day exposition.

Umbarger Items

Rev. J. J. Doljie returned from Holland where he visited his brother and friends.

Joe Friemel and son George, Leo Stocker and Anton Summers made a business trip to Las Vegas, New Mexico, Sunday.

Joe Wieck and Apolonio Mejia who are attending school in Amarillo, visited their parents during the week end.

A number of friends attended the dance given at the home of Mr. and Mrs. Strube Thursday evening.

Mr. and Mrs. E. J. Friemel were visitors at the home of their daughter, Mrs. Bill Bauer, Sunday afternoon.

Mr. and Mrs. Paul Artho and family spent Sunday at the home of Mr. and Mrs. V. Skypala.

Mrs. Leo Stocker and family were visitors at the home of her daughter, Mrs. Max Hoffmann, Sunday.

Mr. and Mrs. E. J. Friemel were business callers in Amarillo Thursday.

CARD OF THANKS

We wish to express our sincere thanks to our friends for their kindness and sympathy during the illness and death of our daughter and sister.

PRICE OF CIVILIZATION

By Bruce Catton

It sometimes almost seems as if the present depression is simply part of the price we have to pay for the privilege of our civilization.

This thought is called to mind by a passage in Stuart Chase's recent book, "Mexico."

Mr. Chase tells of visiting a seaport in Yucatan. Business men there told him that conditions were terrible. Goods weren't moving, merchants were going broke, trade was at a standstill—the depression, in short, was at its zenith.

Then Mr. Chase asked them if there was not a great deal of distress in the villages and towns back of the seaport. To his amazement, he learned that the great mass of the inhabitants did not know there was a depression. No one was hungry; no one lacked shelter; no one needed charity; no one had lost his job. Only the small commercial class in the seaport suffered. The great majority was doing very well indeed.

This, of course, was because the villages and towns were self-supporting. People raised their own food, built their own houses and spun the cloth for their own clothes. In good times and in bad they lived their lives and ignored the rest of the world. Stock market crashes and industrial depressions meant less to them than the weather on the far side of Mars.

North of the Rio Grande we are at the other extreme. Not a city or town is self-supporting. We are all specialists, and each depends on the work of his fellows. When the automobile maker in Detroit fails to prosper his bad luck is shared presently by the Dakota farmer and the Alabama mill hand. We stand or fall together because of the complexity of our society.

Yet it is this very complexity which has given our civilization its brightest distinction. Our vision of mankind's release from drudgery, our advances in science, our new speed of movement and communication, the thousand and one little conveniences that make life easier—all come from it. Mr. Chase's Mexicans, who are unaffected by depressions, have to do without these things.

Probably few of us would trade our civilization for that of the Mexican villages. But the present depression is the price we pay for what we have.

PANTS AND THE LAW

Judge(sternly)—"Well, what is your alibi for speeding 50 miles an hour?"

George—"I had just heard, your honor, that the ladies of my wife's church were giving a rummage sale, and I was hurrying home to save my other pair of pants."

"Case dismissed."—Boston Transcript.

SKIN-TIGHT SUIT

Half the cigars in the United States have imported wrappers. This does not mean the cellophane wrappers; it means the cigars' underwear.—Tampa Tribune.

REWARD OF CHIVALRY

Cries for help had attracted Fred's attention. A big man was beating a much smaller individual.

"Leave him alone!" shouted Fred, who threw himself into the fray and knocked out the big man with a well-timed uppercut.

"Thanks," said the little man after he had pulled himself together. "Now, look here, you share this 10-pound note I took off 'im.—London Opinion.

NOTICE OF SHERIFF'S SALE

STATE OF TEXAS,
County of Randall.

By Virtue of an order of sale issued out of the Honorable District Court of Randall County, on the 10th day of September, 1931, by the Clerk thereof, in the case of M. L. Tucker versus J. P. Glover, Annie M. Glover, J. B. Linn and Foxworth-Galbraith Lumber Company, a corporation, No. 1294, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in October, A. D. 1931, it being the 6th day of said month, before the Court House door of said Randall County, in the town of Canyon, Texas, the following described property, to-wit:

A tract of land in Randall County, Texas, described as being fifty-seven acres of land out of Section number Thirty-five, in Block number B-5, located by virtue of Certificate number 15-3557, H. & G. N. Ry. Co., described by metes and bounds as follows:

Beginning 561.6 varas west of the southeast corner of said Section No. 35, at a point in the south line of said section;

Thence north 468 vrs. to a point;
Thence west 108 vrs. to a point;
Thence north 244.8 vrs. to a point;
Thence east 108 vrs. to a point;
Thence north 273.6 vrs. to the south line of Chestnut Street;
Thence west with the south line of said Chestnut Street, 388.8 vrs;
Thence south 371 vrs. to the east line of railroad right of way;
Thence south 10 deg. 35' east 623.5 vrs. to a point in the south line of said Section 35;
Thence east with the south line of said Section 278 vrs. to the place of beginning.

Levied on as the property of J. P. Glover and Annie M. Glover, to satisfy a Judgment amounting to $2,570.10 in favor of M. L. Tucker, and cost of suit.

Given under my hand, this 10th day of September, 1931.

JOHN FRY, Sheriff,
25t3 of Randall County, Texas.

BONDS FOR SALE

The City Commission of the City of Canyon, Texas, will receive bids for the sale of $18,000.00 of its Waterworks Bonds, on October 1st, 1931, at 7:15 P. M., at the City Hall of said City. Said Bonds are dated August 10, 1931, and are due serially one to eighteen years from date, bearing 5% interest per annum, payable semi-annually, except first year's interest payable one year from date of Bonds, at the Central Hanover Bank & Trust Company, New York, N. Y. Each bid must be accompanied by a certified check for $500.00 payable to R. A. Bellah, Mayor. The Commission reserves the right to reject any and all bids.

BY ORDER OF THE CITY COMMISSION.

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Randall.

WHEREAS, By Virtue of an order of sale, issued out of the District Court of Randall County, Texas, on a judgment rendered in said Court on the 15th day of August, A. D. 1931, in favor of Panhandle Construction Company, and against S. G. Umbarger, and the heirs and legal representatives of the said S. G. Umbarger, whose names are unknown, No. 1269, on the Docket of said Court, and to me, as sheriff, directed and delivered, I did, on the 7th day of September, A. D. 1931, at 5 o'clock, P. M., levy upon the followng described tracts and parcels of land situated in Randall County, Texas, and belonging to S. G. Umbarger and the heirs and legal representatives of the said S. G. Umbarger, whose names are unknown, to-wit:

Lot Twelve (12), Block Fifty-seven (57), Original Plat of Canyon City, in Randall County,

on the 6th day of October, A. D. 1931, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the Court House door of Randall County, Texas, in the town of Canyon, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said S. G. Umbarger and the heirs and legal representatives of the said S. G. Umbarger, whose names are unknown, in and to said property.

WITNESS MY HAND, this the 7th day of September, A. D. 1931.

JOHN FRY, Sheriff,
25t3 of Randall County, Texas.

?????? AMERICA'S ONLY REFINER OF GERM PROCESSED OIL OFFERS....

$10,000 IN CASH PRIZES

FOR THE BEST ANSWERS EXPLAINING THE

MYSTERY OF THE "HIDDEN QUART"

AND TELLING HOW THIS QUART BENEFITS MOTORISTS

Fact No. 1—Thousands of motorists and service station men have observed that after a car has been given its *first* fill of Conoco Germ Processed Motor Oil and is driven 200 to 350 miles, a look at the crankcase gauge shows that about one quart of oil is *apparently* missing . . . but

Fact No. 2—These same people have noticed that on the *second* and later fillings with Conoco Germ Processed Motor Oil, scarcely a drop of oil will disappear during the first 350 miles and practically none at 500 and up to 1,000 miles!

THE above facts have been checked by actual tests with cars that use six quarts of oil for the crankcase, cars in good mechanical condition and driven at ordinary rates of speed. These facts will also prove true for your car, in proportion to the amount of oil your crankcase usually holds, your car's mechanical condition and the speeds at which you drive.

What becomes of the "hidden quart"? The answer is easy if you study the Facts given above and keep in mind the things that only Conoco Germ Processed Motor Oil can do. The explanation of the whereabouts of the "hidden quart" is simple — no technical knowledge of motors or oil is necessary.

Remember — The "hidden quart" of Germ Processed Oil does not escape through leakage . . . does not burn up, wear out nor evaporate. It is "present but unaccounted for." Fact No. 2, given above, proves all this.

After you've found where the "hidden quart" goes, you can easily see the special benefits it gives the motorist—advantages that no other oil can give.

THE QUESTION
"What becomes of the 'hidden quart' and how does this quart benefit the motorist" ?

Ask at any Conoco Station or Conoco Dealer for free entry blank, which contains information about Conoco Germ Processed Motor Oil that may help you win. Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest. . . Any Conoco Station or Conoco Dealer will give you, free of charge, a convenient Official Contest Entry Blank for writing your answer.

Answers written on one side only of any plain white paper will be accepted as accredited entries in the contest. But we recommend that you secure an Official Contest Entry Blank, which gives valuable information about Conoco Germ Processed Motor Oil and its operation in motors—clues about the "hidden quart" that may help you write an answer that will win a prize.

29 PRIZES
First Prize $5,000

Second Prize	$2,000
Third Prize	$1,000
4th and 5th Prizes	$500
6th, 7th, 8th and 9th Prizes	$100
10th, 11th, 12th and 13th Prizes	$50
14th through 29th Prizes	$25

WINNERS WILL BE ANNOUNCED . . . as soon after the contest closes as possible. Announcement of all winners will be made in this newspaper.

THE JUDGES
DR. W. B. BIZZELL, *President* University of Oklahoma
JOHN A. HUNTER Professor of Mechanical Engineering, University of Colorado
FRANK L. MARTIN, *Associate Dean* School of Journalism, University of Missouri
AND ASSISTANTS

COMPLETE RULES OF CONTEST

1. Answers may be any length not exceeding 200 words; length of answers will not determine winners. Write answers on Official Contest Entry Blanks preferably, or on plain white paper. Conoco Stations and Dealers will give you an Official Contest Entry Blank free. Elaborate presentations of answers will not count in your favor.
2. Write your answer in plain, simple language. Technical terms or special scientific knowledge will not influence the judges.
3. Contest closes midnight, Sept. 28, 1931, and no entries bearing postmarks after midnight, Sept. 28, 1931, will be accepted.
4. Contest open to everybody except employees and executives of the Continental Oil Company, Conoco Stations, Conoco Dealers and the Company's advertising agency, and their families.
5. In case of tie, both contestants will receive full amount of prize tied for.
6. You do not have to use or purchase Conoco Germ Processed Motor Oil or other Conoco products to compete for prizes.
7. All entries submitted, whether or not they win prizes, become the property of the Continental Oil Company and may be used in advertising without payment, and none can be returned to senders.

L. N. George Is Convinced Good College Attendance

L. N. George, field secretary for the ex-students association, issued a statement yesterday expressing great optimism regarding the attendance of the College, which opens next week. Mr. George stated:

"During the past week I have been in Armstrong, Donley, Wheeler and Carson counties. There are from three to four dozen college prospects in each town who plan to come to Canyon sometime after the college opens. They have cotton, wheat or stock that they must convert into cash before they can start to school. I am very optimistic at the opening prospects.

"By checking the number which we know will be here at the opening against past enrollments, I am led to believe that our fall term enrollment will be up to normal. We anticipate the best quality of work that has ever been done. Everyone who comes will mean business, for it is a sacrifice upon the part of some one. There will be the largest increase during the year over the opening enrollment that we have ever had.

"I plan to be in Potter, Carson, Hutchinson, Ochiltree and Hansford counties this week. Boys are asking for cheap quarters in which to batch. Clean basements, warm garages, etc., are in demand."

Canyon Day

(Continued from page one.)

tesies being extended us on that day. The arrangements for the two radio programs have been made by the fair officials, announcement of such a plan being made several weeks ago, by Wilbur C. Hawk, president of the fair association. Even if you may attend the fair every day during the week, you are urged to make a special effort to attend on Canyon Day.

"Although the fair is not held in Randall county it is truly a Randall county institution and the citizens of this community should have a deep pride in being able to take part in such an outstanding exposition. The fact that the fair covers the wide territory of the Panhandle, eastern New Mexico and Western Oklahoma, binds us to it. Then too, it is held in Amarillo and as Amarillo continues to grow into Randall county it makes events of importance in that city of vital interest to this county.

"Let's all join hands and go to the Tri-State Fair, and let the world know that Canyon is there with bells on. Let's storm the fair grounds and show the other visitors where we are from. The distance is short and the fair is free. Our county is expected to share in the winnings of the fair as it has done in the past and we must contribute our part by attending 100 per cent."

Canyon will be the only special delegation there on Saturday, so far as it was learned Tuesday. Saturday is Traveling Men's Day, but no large delegation is expected to be there other than Canyon. A good showing should be made.

Special Canyon badges will be ready for distribution on next Friday afternoon and early Saturday morning. Those wishing to wear a Canyon badge, and every citizen of this community should, may have as many as they need by calling at the Chamber of Commerce office.

BEATING THE GAME

Lawyer—"But, madam, you can not marry again. If you do, your husband has clearly specified that his fortune will go to his cousin."

Fair Client—"I know that. It's his cousin I'm marrying."—Boston Transcript.

WORTH A "WUXTRY"

A blue coat, no waistcoat, a blue cravat and white canvas shoes was the informal attire in which President Hoover appeared before a large gathering of newspaper men. —New York cable in the Peking (China) Leader.

HUMAN VACUUM CLEANER

A southeast girl with a wind velocity of 50 miles an hour was reported to be sweeping Bay St. Louis.—New York Herald-Tribune.

THE CLEAN TOWN

Cleanliness, it is said, is next to Godliness. A dirty individual is neither clean spiritually nor mentally. Dirt makes for ruin physically, mentally, morally. This is as true of a town as of an individual. The dirty town, the town full of rubbish, of untidy houses, of muddy streets, of unsanitary conditions, is non-progressive materially, morally and educationally. Neither moral nor material advancement flourish in dirty, unkempt dwellings or in unkempt towns.

If any town or city is ambitious for advancement, or if even a few of its men and women are ready to devote their time and energy to betterment of the community, the surest way to achieve success is to clean up—make back yards and front yards clean, encourage the people to beautify their homes and their yards, stimulate a love for and a pride in their homes and in their town, repair the tumble-down yard fences, paint-up, make things as clean outside as they should be inside, and then that community will look up mentally, morally and materially.

No community which does not clean up and paint up, which does not do its best to have clean streets and clean yards, has any right to look up and face the world.

It might be said a dirty town **makes dirty people; a dirty people** makes moral and material dirt and decay. It is the duty of all men and women to make their homes and their home towns just as clean and attractive and beautiful as possible. He who falls short in this respect falls short of his duty to God and man, itmatters not what else he may do.

THERE'S A NEEDLE IN IT

"A Los Angeles woman gets a divorce because her husband called her 'a load of hay.'"

"That's too ticklish a thing to call any one."—B'nai B'rith Messenger.

A Kentuckian had 17 children, all boys. When they came of age they voted uniformly the Democratic ticket—all except one boy. The father was asked to explain this evident fall from grace.

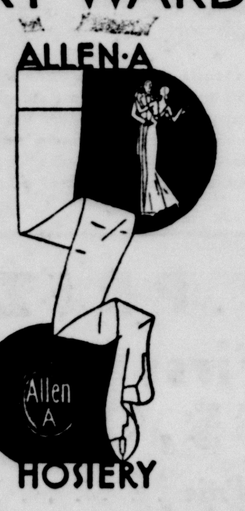

"Well," said he, "I've always tried to bring them boys up right, in the fear of the Lord, and Democrats to the bone, but John, the onery cuss, got to readin'."

U. S. Treasury Department is reported to have received the following letter recently: "I have received your application, but as I already belong to several orders I do not care to join your income tax at this time."
